Year 6 Swimming Competency

2018/19

SWIMMING AND WATER SAFETY

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The programme of study for PE sets out the expectation that pupils should be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- Perform safe self-rescue in different water-based situations.

Swimming and Water Safety	
•What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres by the end of the 2018/19 academic year?	71%
•What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] by the end of the 2018/19 academic year?	71%
•What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations by the end of the 2018/19 academic year?	94%
•Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

2018/19 Academic Years Swimming Targets

- To increase to 100% in the number of children achieving curriculum targets in Year 6.
- To ensure that non-swimmers in lower key stage two are identified early in order for support to be targeted for them where needed.
